Statement of Faith

The International A.L.E.R.T. Academy (IAA) affirms the cardinal doctrines of Scripture that have been defended by historic statements of faith. These include the divine inspiration of Scripture, the deity of Christ, the original sin nature of man, the atonement for sin by Christ's shed blood, and the justification by faith in Jesus as the Christ.

We also believe that a complete and inspired statement of faith was given by Jesus Christ when He taught precise commands on how to love God and others, and that these commands transcend all cultures, nationalities, religions, and political systems.
